AEGEAN FESTIVAL **Music on Syros**

FOUR HUNDRED musicians are converging on this central Aegean island for two weeks in the heart of the summer in a programme that includes opera, the premiere of new work by composer John Rutter - conducted by himself - and dance, some of it under the starry sky. The 8th International Festival of the Aegean opens on July 9 with Dimitris Sgouros and Dimitris Kavrakos and wraps up on July 22 with the National Opera's corps de ballet dancing to Strauss - *The Blue Danube* included.
